## 2024/2025 ALL STAR COMPETITIVE REGISTRATION PACKAGE

Our competitive all star program begins in June and runs through to the end of April. Our athletes practice once per week from June- August and then add an additional weekly practice to their schedule beginning in September. Practice schedules are determined based on the team your athlete is placed on and are communicated as soon as team placements/ evaluations conclude.

Our team placement session is taking place on SATURDAY JUNE 1st. Athletes born 2011- 2020 will attend Session 1 from 11 AM-12:30 PM and athletes born 2006-2012 will attend session 2 from 1 PM- 2:30 PM. World's team tryouts will be from 3PM-4PM and athletes must be born 2009 or earlier. Please do not attend other sessions if you are trying out for the Worlds team. Attending only the World's session DOES NOT mean you cannot be placed on another team for the competitive season.

Your \$75 non-refundable registration fee must be paid for your athlete to attend placement sessions on June 1st. This will be deducted from your annual tuition.

You will receive your team placement via email the evening of June 1st. This will include your practice schedule, coaching staff, first practice date/ time (first practice is that week), and a date/time for a mandatory parent meeting to review this package, discuss important details, sign waivers, and at that time we can answer any questions you may have. We ask that you allow 24 hours after your first practice to reach out with any concerns in regards to your athlete's placement. Our coaches work very hard to place everyone appropriately and we appreciate your understanding with this.

We will attend a minimum of 6 competitions from December- April, from Halifax to Moncton. Travel fees for competition are not included in your annual tuition along with spectator entrance fees that are purchased at the time of the event. An official competition schedule will be communicated when we receive it.

Please see the following page for a detailed payment schedule.
